PAINTING PARTY PROJECT®

STUDENTS MAKE A BIG DIFFERENCE!

Take a few minutes to paint a shoebox lid and help bring hope, joy and essential supplies to a child in need in Brazil.

1 PAINT THE LID

Be creative! Decorate this lid for a child in Brazil. Your painting will make a child feel special and loved!

2 KEEP IT FLAT

Do not fold the edges. The lid will be sent to Brazil in this flat format.

3 ASK YOUR PARENTS TO DONATE

Ask your parents to scan the QR code and donate $20 so we can purchase school supplies, hygiene items, toys, candy, and much more for each child.

SCAN HERE TO DONATE

4 WE ASSEMBLE THE SHOEBOXES IN BRAZIL

In Brazil, we will combine your painted lid with the bottom of the box and assemble it into a shoebox filled with school supplies, hygiene items, toys, candy, and everything a child in need loves.

5 LET IT DRY AND SEND BACK

Allow the paint to dry completely. Then, collect the lids and send them back to the address provided on the box where your lids arrived.
