FOR CHURCHES & GROUPS

Let Your Light Shine Through Art. Make a Child Feel Seen and Loved.

A hands-on outreach experience that inspires creativity, compassion, and Gospel-centered love while bringing hope to children in Brazil and across South America.

SCAN TO GIVE $20+

HOW IT WORKS • 6 SIMPLE STEPS

1 Discover the Mission & Request Your Kit

Learn about our mission, explore the impact, and see how your church or group can serve through creativity, evangelism, obedience, and love for your neighbor. Contact us to request your Painting Party Kit!

info@paintingpartyproject.org | +1 (786) 719-8773

2 Receive the Kit & Prepare Your Space

Set up a room or meeting space. Lay out the flat lids, brushes, paints, and paper towels. Keep every lid flat at all times—please do not fold the lids.

3 Paint with Purpose, Love & Prayer

Encourage members to create art with purpose. Every painted lid can warm the heart of a child and reflect the love of God. Feel free to share our Instagram photos for inspiration and to help participants see the impact of Gospel outreach. Members may also sign the back or write an optional note in Portuguese or Spanish with a Gospel message.

4 Invite Members to Give

Share this flyer and invite members to give $20 or more using the QR code. These gifts help purchase school supplies, hygiene essentials, toys, clothing, treats, and other needed items for children. Donations made through our U.S. charitable partner may be tax-deductible. You may also consider giving to help cover children whose painted lids do not receive a matching donation.

5 Return Your Painted Lids

Once dry, carefully stack the lids in the box and send them back to our processing center. They will be prepared for delivery to Brazil and other communities in South America. Always keep the lids flat—please do not fold them.

6 Follow the Journey & See the Impact

Follow the deliveries and encourage participants to upload their photo on our website through Track Your Lid. Then follow us on social media. Each carefully painted lid is later attached to the shoebox base, and donated funds are used to purchase locally appropriate items and evangelistic materials before the gifts are delivered.
