PAINTING PARTY PROJECT

EMPLOYEES MAKE A BIG DIFFERENCE!

Take a few minutes to paint a shoebox lid and help bring hope, joy and essential supplies to a child in need in Brazil.

1 PAINT THE LID

Be creative! Decorate this lid for a child in Brazil. Your painting will make a child feel special and loved!

2 KEEP IT FLAT

Do not fold the edges. The lid will be sent to Brazil in this flat format.

3 MAKE A $20 DONATION

Scan the QR code and donate $20 so we can purchase school supplies, hygiene items, toys, candy and much more for each child.

4 WE ASSEMBLE THE SHOEBOXES IN BRAZIL

In Brazil, we will combine your painted lid with the bottom of the box and assemble it into a shoebox filled with school supplies, hygiene items, toys, candy and everything a child in need loves.

5 LET IT DRY AND RETURN

Allow the paint to dry completely. Then, collect the lids and send them back to the designated box in our office (or location informed by your team).
