PAINTING PARTY PROJECT®

CHURCHES & GROUPS

PAINT LIDS. SHARE LOVE. CHANGE LIVES!

A simple and meaningful way for your church to bring hope and the Gospel to children in need in Brazil.

1 PREPARE YOUR CHURCH

Set up a space with painting supplies. Invite children, youth, families, and ministry groups to participate. It's a creative and meaningful way for your whole church to get involved!

2 KEEP IT FLAT

Do not fold the edges. The lid will be sent to Brazil in this flat format.

3 GIVE TO GOSPEL OUTREACH

Ask your congregation to scan the QR code and donate $20 so we can purchase gifts locally in Brazil, including school supplies, hygiene items, toys, candy, and much more for each child.

4 LOCAL CHURCHES PREPARE THE GIFTS

Our church partners in Brazil combine your painted lid with the bottom of the box and assemble it with school supplies, hygiene items, toys, candy, and everything a child in need will love.

5 LET IT DRY AND SEND BACK

Allow the paint to dry completely. Then, collect the lids and send them back to the address provided on the box where your lids arrived.
