info@paintingpartyproject.org | +1 (786) 719-8773

2 Receive Your Kit & Prepare Your Classroom

Distribute the shoebox lids and set out brushes, paints, and paper towels. **Keep every lid flat at all times. Do not fold the lids!**

3 Paint with Purpose & Love

Help students see how their artwork will bring joy and a message of hope to a child who deserves to feel seen and loved. Use our Instagram photos for inspiration. Students may sign the back or add a note in Portuguese or Spanish (optional).

4 Invite Families to Make a Difference

Send this flyer home! Parents can scan the QR code to give **$20 or more** toward school supplies, hygiene essentials, toys, clothing, and treats. Extra gifts help children whose painted lids do not receive a matching donation. Donations through our U.S. charitable partner may be tax-deductible as permitted by law.

5 Return Your Painted Lids

When fully dry, carefully stack the lids in the shipping box and send them back to our processing center. **Keep them flat—please do not fold!** The lids will be prepared for delivery to Brazil and other communities in South America.

6 Follow the Journey & See the Impact

Follow us to see the deliveries! At our processing center, painted lids are folded into shape and paired with shoebox bases. Our local partners use donated funds to buy thoughtful, age-appropriate items locally and bring gifts and a message of hope to children.
