HOW IT WORKS • 6 SIMPLE STEPS

1 Discover the Project & Request Your Kit

Learn about our mission and how a Painting Party supports teamwork, employee engagement, well-being and shared purpose.
Contact **info@paintingpartyproject.org** or **+1 (786) 719-8773.**

2 Receive Your Kit & Prepare the Space

Set up a meeting room with flat lids, paint, brushes and paper towels.
Keep all lids flat; do not fold.

3 Paint with Purpose & Connect

Explain how each artwork will bring a child hope and love. Encourage creativity and a team-building or leadership conversation about purpose and well-being. Optional signature or short message in Portuguese or Spanish on reverse.

4 Invite Employees to Give

Share the flyer QR code. Invite a $20 or greater gift to help purchase school supplies, hygiene products, toys, clothes and treats. Company matching or sponsorship can help more children. Gifts through TrustBridge Global may be tax-deductible as allowed by law.

5 Return Your Painted Lids

After drying, stack lids flat in original box and return to our processing center for shipment to Brazil and other South American communities.

6 Follow the Journey & Impact

Photograph your lid and upload it at **paintingpartyproject.org/trackyourlid;** follow our social media to see deliveries. Our partners assemble shoeboxes and purchase appropriate gifts locally. Individual photo matching is not guaranteed.
